Job Description

The Regina Area is seeking a Pediatrician with Developmental Pediatrics fellowship training to join its Department of Pediatrics in Regina, Saskatchewan.

The specialist would join a Pediatric Clinical Immunologist and Allergist, Pediatricians, a Pediatric Nephrologist, Neonatologists and Pediatric Oncologists. Pediatricians within the department provide a range of clinical services including community clinics, pediatric outpatient ambulatory services, Wascana Children's Program for children with developmental needs, normal newborn care, a 26 bed NICU and a 28 bed inpatient pediatric teaching unit and high acuity area. Children requiring PICU care are transferred to a provincial PICU in Saskatoon following stabilization.

Job Qualifications

Successful candidates will hold certification from the College of Physicians and Surgeons of Saskatchewan.

This individual should be a team player, be able to interact effectively with patients, colleagues, staff and management, and function well in a high volume environment with a commitment to provision of high quality patient and family centered care.

All qualified candidates are encouraged to apply; in accordance with immigration requirements, preference will be given to Canadian citizens and permanent residents of Canada.

The Saskatchewan Health Authority (SHA) requires a criminal record check (CRC) from every potential SHA team member. The CRC must be dated within the past six (6) months and be satisfactory to the SHA. A vulnerable sector check (VSC) is required for individuals providing patient/resident/client care to vulnerable persons.

The SHA is committed to building a representative, diverse, inclusive and culturally responsive workforce. We are committed to the Truth and Reconciliation Calls to Action. We work in the spirit of truth and reconciliation acknowledging Saskatchewan as the traditional territory of First Nations and Métis people.

The start date for this position is negotiable. Applications will be accepted until the position is filled.

Incentive

Successful candidates may be eligible for the Targeted Pediatric Subspecialty Recruitment and Retention Incentive of up to \$200,000. For details and eligibility criteria, please visit: <https://www.saskdocs.ca/work/specialists/pediatric-incentive/>.
