

Position: Pediatric Hospitalist (Locum)

Work type: Temporary Full-Time

FTE: 1.0

Hours per pay: 85 hours

Join us in building a world of possibility! Holland Bloorview Kids Rehabilitation Hospital is Canada's largest pediatric rehabilitation hospital, and a top 40 Canadian research hospital. Serving over 9,000 families annually in both inpatient and outpatient programs and services, Holland Bloorview is renowned for its expertise in partnering with clients and families to provide exceptional care and is the only organization to ever achieve 100 per cent in three successive quality surveys by Accreditation Canada.

Holland Bloorview's vision is to support the most meaningful and healthy futures for all children, youth and families. We are an academic hospital, fully affiliated with the University of Toronto. All clinical staff are expected to contribute to the academic agenda through one or more of the following activities: supervising students, teaching, academic service, scholarship and research.

Holland Bloorview has won numerous awards including Greater Toronto's Top Employers, Canada's Top Employers for Young People and Canada's Most Admired Corporate Cultures. We offer an inspiring, inclusive, innovative, and collaborative work environment with competitive compensation and benefit packages and programs that support ongoing learning and professional growth.
