

# Hiring Pediatricians

Vancouver Island, BC

Island Health has immediate opportunities for Pediatricians to join the Department of Pediatrics in multiple communities across Vancouver Island: Campbell River, Comox, Port Alberni, Nanaimo and Duncan.

Whether you are looking for a modern, well-equipped 75-bed community hospital, a dedicated pediatric ward and outpatient facility supported by a core team or interested in joining a community that will have a new hospital expected to open in 2027, we will help you find your fit. Join a collegial medical staff of Family Practitioners, Emergency Medicine, Anesthesia, General Surgery, Orthopedics, Urology, ENT, Ophthalmology, General & Subspecialty Internists, Obstetrics/Gynecology, Pathology and Radiology.

We have an academic affiliation with the University of British Columbia's postgraduate programs and offer positions at teaching hospitals. We also have a Family Practice Residency Program and are involved in both medical student and residency education. Continue to grow through teaching opportunities with Island Health.

Island Health acknowledges with respect and humility the Coast Salish, Nuu-chah-nulth and Kwakwaka'wakw People on whose unceded traditional territories we offer our services and programs. At Island Health, we recognize, gain knowledge and respect the differences in each individual we serve. The right to feel culturally safe is for everyone.

With its diversity of landscapes, rich heritage and robust cultural scene, the Vancouver Island region offers an opportunity to combine a rewarding career with an enviable quality of life.
