

We're Hiring

Physician Clinical Associate

BC Children's Hospital/Sunny Hill Health
Centre & University of British Columbia

The Physician Clinical Associate position at BC Children's Hospital and Sunny Hill Health Centre offers an exciting opportunity to deliver high-quality, patient-centered care to pediatric patients in a vibrant and collaborative environment. In this role, you will work alongside a dedicated team of healthcare professionals, including pediatricians, nurses, and allied health staff, to assess and manage a diverse range of clinical cases. Your responsibilities will encompass conducting comprehensive patient evaluations, developing and implementing treatment plans, and providing ongoing support to children and their families.

In addition to direct patient care, you will play a key role in promoting best practices and evidence-based approaches within the clinical team. This position also includes opportunities for teaching and mentorship, contributing to the training of medical students and residents at the University of British Columbia. As a Physician Clinical Associate, you will have access to professional development resources and the chance to engage in research initiatives, further enhancing your skills and knowledge in pediatric healthcare.

If you are passionate about making a difference in the lives of children and their families while advancing your career in a dynamic academic setting, we encourage you to apply for this rewarding position.
