2023 PREP subscriptions and pricing included in this catalog. Content access begins in January 2023.

Choose PREP Self-Assessments for board exam study, to earn credit or for lifelong learning.

PREP has provided authoritative and relevant educational assessments for improving child health for over 40 years. Turn to PREP throughout your career for comprehensive learning, to maintain practice standards, or to earn continuing education credit. PREP® Self-Assessments provide education and self-evaluation with practical clinical content in the form of case-based questions, critiques, and journal articles. With trusted PREP content, you can feel confident you are getting comprehensive learning that will influence patient care.

Browse through the following pages to find the subscription program that best meets your needs. When you're ready to purchase, head over to shop.aap.org for quick, secure online ordering.

Every
subscription

Looking for comprehensive review?

The PREP The Curriculum package includes our 2 most popular subscription products providing you with all the authoritative resources you need for lifelong learning or MOCA-PEDS preparation.

General Paediatrics Review Package!

PREP® Self-Assessment Features

- MOCA-PEDS content dashboard points to content that aligns with the 2023 American Board of Pediatrics (ABP) MOCA-PEDS objectives.
- Practice test gives access to bonus MOCA-PEDS related content.
- Practice-test module allows customizable exam content.
- Confidence-rating reports to help identify your greatest learning gaps.
- Includes direct links to Pediatric Care Online™ (PCO) resources.*
- MOC points transfer to the ABP on completion.

*PCO subscription needed to access full content.

Pediatrics in Review® Journal Features

- NEW Chronic Conditions feature.
- Clinical journal review articles mapped to ABP content domains.
- Index of Suspicion case presentations.
- Visual Diagnosis case presentations.
- In Brief articles.
- Online CME quizzes and a print issue answer key.
- Teaching slides by authors.
- Online article library dating back to 1979 with digital cases bonus issues.
- Current PDF monthly issue downloads.
- NEW AAP Publications platform tools for readers and researchers.
- Journal Insights monthly emails.

PREP THE CURRICULUM 1-year subscription includes

PREP Self-Assessment

Over 260 case-based questions with detailed explanations supporting the preferred response, along with a discussion of why other choices are incorrect.

Online Testing Tools and Resources

Boost your learning with PREP Pearl Flash Cards, practice tests, links to salient review articles, and more.

12 issues of Pediatrics in Review

Published monthly with case-based articles that aid clinicians in the proper identification of differential and actual diagnoses as well as therapeutic management of diseases and disorders.

Valuable MOC & CME credit

Round out your continuing education with PREP The Curriculum—includes online learning tools resources and valuable credit.

	PRINT & ONLINE	ONLINE ONLY
Nonmember	\$515	\$465
CPS / AAP Member	\$390	\$340

General paediatrics 2023 PREP® Self-Assessment offers a maximum of 40 Section 3 hours under the Royal College of Physicians and Surgeons of Canada MOC program.

Component
of PREP® The
Curriculum

PREP®

Self-Assessment

Pediatrics Review and Education Program

Component of PREP® The Curriculum package, also sold separately.

1-year subscription

With PREP Self-Assessment, you can identify your strengths and weaknesses with peer-reviewed questions, high-quality medical images, and detailed critiques. Also includes practice test features, performance results, and PREP Pearl Flash Cards to maximize your study time.

	PRINT & ONLINE	ONLINE ONLY
Nonmember	\$325	\$285
CPS / AAP Member	\$250	\$210

Subscription access begins in January 2023.

2023 PREP® Self-Assessment is approved for 40 Section 3 hours.

Topics include

- Identify the extrapulmonary complications of cystic fibrosis.
- Prevent nonmedical prescription medication use.
- Recognize immune-mediated disorders associated with *Mycoplasma pneumoniae* infection.
- Screen patients for exposure to intimate partner violence.
- Recognize features associated with fetal alcohol syndrome disorder.

Focus on your priorities with enhanced online features!

Flash Cards

As you complete questions, open the PREP Pearl tabs to review randomized PREP Pearls in your lowest performing categories.

Results are summative, so the more questions you answer, the more PREP Pearl Flash Cards you can review. Sort by content area to focus on challenging content where concentrated study may be helpful.

SHARE CONTENT

Like and share PREP questions that are relevant to issues discussed or encountered in practice.

PREP ICU, PREP Infectious Diseases, PREP Nephrology, PREP Pulmonology, PREP Rheumatology): Participants may claim a maximum of 18 hours (credits are automatically calculated).

PREP Hospital Medicine Self-Assessment: Participants may claim a maximum of 26 hours (credits are automatically calculated).

Credit for 2021 PREP family of self-assessments must be reported to the RCPSC by 31/01/2021.

For more information on the RCPSC's MOC program, contact the CPSE Education Department at education@cps.ca

CME Credit Information

The American Academy of Pediatrics (AAP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AAP Policy on Disclosure of Financial Relationships and Mitigation of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they have either no financial relationships or any financial relationships with the manufacturer(s)

of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and mitigated prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of these CME activities does not necessarily reflect the views or policies of the AAP.

CPS Members save every day with discounted AAP member rates.
